作曲 Al Jarreau, Arthur J. Maren

Yesterday, just a photograph of
yesterday.
And all its edges folded and the corners
faded sepia brown.
And yet it's all I have of our past love.
A postscript to its ending.

Brighter days.
I can see such brighter days.
When every song we sang
Is sung again.
And now we know.
We know this time it's for good.
And we're lovers once again.
And you're near me.

I can remember the rain in December
The leaves are brown —
On the ground.

In Spain I did love and adore you.
The nights filled with joy were our
yesterdays.
And tomorrow will bring you near me.

I can recall my desire.
Every reverie is on fire.
And I get a picture of all our yesterdays.
Yes, today.
I can say, "I get a kick every time
They play that, 'Spain', again."

Our love was a Spanish fiesta.
The bright lights and songs were our
joy each day.
And the nights were the heat of yearning.

I can recall my desire.
Every reverie is on fire
And I get a picture of all our yesterdays
Yes, today.

I can say, "I get a kick everytime
I see you gaze at me."

I see moments of history.
Your eyes meet mine and
They dance to the melody.
And we live again
As if dreaming.

The sound of our hearts beat like
castanets.
And forever we'll know their meaning.

I get a kick and I'm here to say,
"Here's 'Spain', again."
